OVERTIME PREFERENCE SIGN-UPS	
Title:	OVERTIME PREFERENCE SIGN-UPS
Date:	4/24/23
	<p>**ATTENTION OPERATORS**</p> <p>**EFFECTIVE IMMEDIATELY** - Due to multiple issues with the sign up of specific OT preferences, this feature has been disabled in HASTUS. If you would like to sign up for OT, you MUST sign up in HASTUS for the full day, or nothing at all. Overtime will be awarded on a rotational basis each day of each week. This rolling rotation, in seniority order, will continue on that specific day each week based on the last operator that worked that day, the previous week. If you do not receive work for the day the you sign up, you will be placed "ON CALL" for that day, in seniority order. Please direct any questions to the scheduling section.</p>
